Suicide and its impact on the mental health of Sri Lankan youth

By Dr. R.Pathiratne, M.D. 

In the 21st century, road traffic accidents (RTAs) are on the rise in Sri Lanka. In 2016, there were 2,535 road accidents which resulted in 422 fatalities and 3,990 injuries. In 2017, there were 2,557 road accidents which resulted in 418 fatalities and 3,993 injuries. The majority of the accidents occurred in the Central Province, followed by the Western Province. The peak accident period is during the evening and night hours. The main causes of accidents are recklessness,酒后驾驶, and road obstruction.
